## Beauty & the Beach: Hot Swim Suits for Summer Fun

Sun and surf, what more could a girl possibly want? Oh, maybe a hot swimsuit, a private beach resort and someone to help with that suntan lotion! Our new line of swimwear takes your favorite styles and adds fashion-forward prints and foils, figure flattering details and everything you need for style and support. We've got you covered with a gorgeous swimsuit, but the resort and suntan lotion are all up to you!

### A Little R&R

Be all that you can be in spring's hottest look—camo! This camouflage tankini has a flyaway back and keeps you covered in all the right places. Looks great with the flattering brown side cinch boy shorts!

### Water's Edge

Stray from the pack in something a little different. Black tankini features a silver foil screen with hearts and skulls. Pair it with black side cinch shorts for a feminine touch.

### Vintage Vantage

Classic style lasts for a reason. This polka dot tankini mixes the beauty of a halter with the fun feel of polka dots to give you the advantage of a timeless vintage look.

### Vacation Getaway

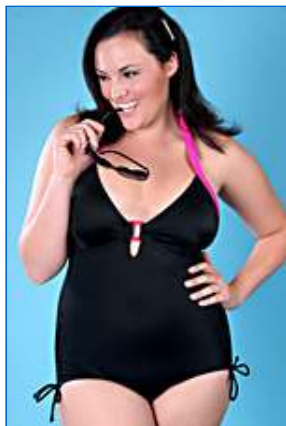

Classic lines and fresh color are perfect for a weekend getaway. This tankini gives you the support you need and the style you crave.

### Hot Sophistication

Sexy and uncomplicated, but definitely sophisticated. This hot little number has bronze details for that extra kick. This suit has enough coverage for comfort and confidence but is revealing enough to keep them on their toes.

### Classic Beauty

Our all-time favorite suit in a fresh, new color! Feisty yet elegant, this suit can be worn with the cinch sides down like a boy short or cinched up for a more feminine look.

### Be Envied

Strike envy in the hearts of the common girl. This skirted suit hugs your curves in all the right places for a glam look. Wear it with or without the halter straps to be the envy of the spa.
